## All About Title I

What is the purpose of this meeting?

Federal guidelines require Title I schools to hold an Annual Parent Meeting About the Benefits of the Title I Schoolwide Program to inform parents of Title I requirements and discuss their rights to be involved in the Title I Schoolwide Program.

Sylvania Heights Elementary is a Title I School

## All About Title I (Cont'd.)

Title I is the largest federally funded education program under the Every Student Succeeds Act (ESSA), current federal education law in the United States, governing K-12 public education.

- It is designed to provide students with additional help in Reading, Language Arts, Mathematics, Science and Social Studies.
- The main objective is to support schools and districts to ensure that high quality education is equitable for all students.
- The Title I Schoolwide Program is committed to helping schools close the achievement gap between disadvantaged and minority students and their peers.

How does the ESSA law and the Title I Parent and Family Engagement requirements help parents and families?

- The school district and all Title I schools must allocate a portion of their Title I budget towards programs, activities, and procedures for parent and family engagement.
- The school district and all Title I schools must develop with parents and families a written Title I Parent and Family Engagement Plan (PFEPP). The PFEPP must be distributed to all stakeholders.
- All Title I schools are required to collaborate with parents and families in the development of the School Improvement Plan (SIP) and School-Parent Compact.
